BOSTON, MASSACHUSETTS

INDEX.

Aëration in water purification, some uses of. By MALCOLM PIRNIE. 395, Dec.

Allen, Raymond C. The gas-producer plant for water pumping at Manchester, Mass. 56, Mar.

Almquist, F. O. A., and Scott, Warren J. Public water supplies of Connecticut. 298, Sept.

Aspects of the financial management of water works in Massachusetts, some legal. President's address. By ARTHUR D. WESTON. 328, Sept.

Automatic chlorination at Concord, N. H. By PERCY R. SANDERS. 399, Dec.

Average rainfall tables for northern New England. By GRAGG RICHARDS. 50, Mar.

Batchelder, George Wellington. Obituary. 236, June.

Beauty — an investment. By JOHN CALVIN STEVENS. 370, Dec.

Beverages, enforcement with other. By J. FREDERICK JACKSON. 402, Dec.

Biser, D. Benton, and Siems, V. Bernard. Factors in the design of distribution systems. 284, Sept.

Boggs, R. W. The oxy-acetylene process in modern industry, with particular reference to the piping field. 44, Mar.

Brass water services, copper and. By WILLIAM J. SCHNEIDER. 148, June.

Buffalo in connection with the construction of a twenty million gallon filter plant, reconstruction of the Woodlawn Pumping Station of the Western New York Water Company at. By H. F. HUY. 387, Dec.

Cairns, R. A. The Shepaug tunnel, Waterbury, Conn. 258, Sept.

Care of Venturi meters, installation and. By A. B. COULTERS. 281, Sept.

Cast iron pipe and special castings, progress report of the committee on specifications for. 351, Sept.

Cast iron pipe and special castings, progress report of the sponsors of the sectional committee on the standardization of. 349, Sept.

Catchment areas, protection of. By JOHN F. SKINNER. 1, Mar.

Changes in power for pumping at Newport, R. I. By HAROLD WATSON. 410, Dec.

Chlorination at Concord, N. H., automatic. By PERCY R. SANDERS. 399, Dec.

Clean-bottomed reservoirs, decolorization by storage in. By KARL R. KENNISON. 60, Mar.

Color reduction in storage reservoirs. By CALEB MILLS SAVILLE. 416, Dec.

Concord, N. H., automatic chlorination at. By PERCY R. SANDERS. 399, Dec.

Conference, superintendents'. A report of the proceedings of the superintendents' conference of September 18, 1928. 152, June.

Connecticut, public water supplies of. By WARREN J. SCOTT and F. O. A. ALMQUIST. 298, Sept.

Construction of a twenty million gallon filter plant, reconstruction of the Woodlawn Pumping Station of the Western New York Water Company at Buffalo in connection with the. By H. F. HUY. 387, Dec.

Construction of the Granville Dam at Westfield, Mass. By E. B. MYOTT. 175, June.

Committee on cross-connections, report of the. 79, Mar.

Committee on legislation, report of Massachusetts member of the. 356, Sept.

Committee on simplification of manhole frames and covers, progress report of the. 350, Sept.

Committee on specifications for cast iron pipe and special castings, progress report of the. 351, Sept.
Committee on standardization of cast iron pipe and special castings, progress report of the sponsors of the sectional. 349, Sept.
Committee on standardization of pipe flanges and fittings, progress report of the. 247, Sept.
Committee on standard specifications, progress report of the. 354, Sept.
Committee on the collection and correlation of information concerning the corrosion of iron and steel pipes and standpipes, progress report of the. 358, Sept.
Committee on wrought iron pipe and wrought steel pipe and tubing, progress report of the. 353, Sept.
Copper and brass water services. By WILLIAM J. SCHNEIDER. 148, June.
Corrosion of iron and steel pipes and standpipes, progress report of the committee on the collection and correlation of information on the. 358, Sept.
Coulters, A. B. Installation and care of Venturi meters. 281, Sept.
Covers, progress report of the committee on simplification of manhole frames and. 350, Sept.
Cross-connections, report of the committee on. 79, Mar.

Dam at Westfield, Mass., construction of the Granville. By E. B. MYOTT. 175, June.
Dam at Westfield, Mass., soil studies for the Granville. By CHARLES TERZAGHI. 191, June.
Dam at Westfield, Mass., the Granville. By C. A. FARWELL. 164, June.
Decolorization by storage in clean-bottomed reservoirs. By KARL R. KENNISON. 60, Mar.
Des Baillets, Charles J. The new McTavish Pumping Station at Montreal, Que. 32, Mar.
Description of the system of the Portland Water District, a. By JAMES W. GRAHAM. 364, Dec.
Design of distribution systems, factors in the. By V. BERNARD SIEMS and D. BENTON BISER. 284, Sept.
Dickerman, Albert C. The East Providence Water Company. 239, Sept.
Dickerman, Albert C. The East Providence Water Company rate case. 246, Sept.
Distribution problems, some. By FRED B. NELSON. 133, June.
Distribution systems, factors in the design of. By V. BERNARD SIEMS and D. BENTON BISER. 284, Sept.

East Providence Water Company, the. By ALBERT C. DICKERMAN. 239, Sept.
East Providence Water Company rate case, the. By ALBERT C. DICKERMAN. 246, Sept.
Electrolysis investigations. By C. F. MEYERHERM. 143, June.
Enforcement with other beverages. By J. FREDERICK JACKSON. 402, Dec.

Factors in the design of distribution systems. By V. BERNARD SIEMS and D. BENTON BISER. 284, Sept.
Farwell, C. A. The Granville Dam at Westfield, Mass. 164, June.
Ferguson, R. E. Testing large meters. 382, Dec.
Filter plant, reconstruction of the Woodlawn Pumping Station of the Western New York Water Company at Buffalo in connection with the construction of a twenty million gallon. By H. F. HUY. 387, Dec.
Financial management of water works in Massachusetts, some legal aspects of the. President's address. By ARTHUR D. WESTON. 328, Sept.
Fire hydrants and valves, specifications for. A report of the general discussion of September 20, 1928. 157, June.

Fittings, progress report of the committee on the standardization of pipe flanges and. 347, Sept.
Flanges and fittings, progress report of the committee on the standardization of pipe. 347, Sept.
Forbes, Fred B. Obituary. 237, June.
Frames and covers, progress report of the committee on simplification of manhole. 350, Sept.

Gas-producer plant for water pumping at Manchester, Mass., the. By RAYMOND C. ALLEN. 56, Mar.
Gorman, Arthur E. Watching the weather in safeguarding public water supplies. 377, Dec.
Graham, James W. A description of the system of the Portland Water District. 364, Dec.
Granville Dam at Westfield, Mass., construction of the. By E. B. MYOTT. 175, June.
Granville Dam at Westfield, Mass., soil studies for the. By CHARLES TERZAGHI. 191, June.
Granville Dam at Westfield, Mass., the. By C. A. FARWELL. 164, June.
Griswold, H. W. The maintenance of water meters. 273, Sept.

History of the organization of the Portland Water District. By DAVID E. MOULTON. 359, Dec.
Huy, H. F. Reconstruction of the Woodlawn Pumping Station of the Western New York Water Company at Buffalo in connection with the construction of a twenty million gallon filter plant. 387, Dec.
Hydrants and valves, specifications for fire. A report of the general discussion of September 20, 1928. 157, June.

Installation and care of Venturi meters. By A. B. COULTERS. 281, Sept.
Investigations, electrolysis. By C. F. MEYERHERM. 143, June.
Investment, beauty — an. By JOHN CALVIN STEVENS. 370, Dec.

Jackson, J. Frederick. Enforcement with other beverages. 402, Dec.

Kennison, Karl R. Decolorization by storage in clean-bottomed reservoirs. 60, Mar.

Legal aspects of the financial management of water works in Massachusetts, some. President's address. By ARTHUR D. WESTON. 328, Sept.
Legislation, report of Massachusetts member of the committee on. 356, Sept.

Mains, a new kind of pipe for water. By R. W. MITCHELL. 18, Mar.
Maintenance of water meters, the. By H. W. GRISWOLD. 273, Sept.
Management of water works in Massachusetts, some legal aspects of the financial. President's address. By ARTHUR D. WESTON. 328, Sept.
Manchester, Mass., the gas-producer plant for water pumping at. By RAYMOND C. ALLEN. 56, Mar.
Manhole frames and covers, progress report of the committee on simplification of. 350, Sept.
Massachusetts member of the committee on legislation, report of. 356, Sept.
Massachusetts, some legal aspects of the financial management of water works in. President's address. By ARTHUR D. WESTON. 328, Sept.
McTavish Pumping Station at Montreal, Que., the new. By CHARLES J. DES BAILLETS. 32, Mar.
Meters, installation and care of Venturi. By A. B. COULTERS. 281, Sept.

Meters, testing large. By R. E. FERGUSON. 382, Dec.
Meters, the maintenance of water. By H. W. GRISWOLD. 273, Sept.
Methods of water purification, unusual. By MARTIN E. FLENTJE. 38, Mar.
Meyerherm, C. F. Electrolysis investigations. 143, June.
Mitchell, R. W. A new kind of pipe for water mains. 18, Mar.
Montreal, Que., the new McTavish Pumping Station at. By CHARLES J. DES BAILLETS. 32, Mar.
Moulton, David E. History of the organization of the Portland Water District. 359, Dec.
Myott, E. B. Construction of the Granville Dam at Westfield, Mass. 175, June.

Nelson, Fred B. Some distribution problems. 133, June.
New England, average rainfall tables for northern. By GRAGG RICHARDS. 50, Mar.
New England Water Works Association.
Address of President. By ARTHUR D. WESTON. 328, Sept.
Dexter Brackett Memorial Medal, Award of. 321, Sept.
Election of officers. 326, Sept.
Proceedings:
November meeting. 76, Mar.
December meeting. 77, Mar.
January meeting. 78, Mar.
February meeting. 224, June.
March meeting. 226, June.
April meeting. 235, June.
September meeting. 318, Sept.
November meeting. 444, Dec.
December meeting. 444, Dec.
Remarks by:
Hon. Frederick W. Cook. 228, June.
Theodore W. Waddell. 231, June.
Lester F. Wallace. 319, Sept.
William L. Blake. 320, Sept.
Reports:
Committee on cross-connections. 79, Mar.
Editor. 343, Sept.
Finance Committee. 346, Sept.
Progress reports of committees. 347, Sept.
Secretary. 337, Sept.
Treasurer. 340, Sept.
New kind of pipe for water mains, a. By R. W. MITCHELL. 18, Mar.
New McTavish Pumping Station at Montreal, Que., the. By CHARLES J. DES BAILLETS. 32, Mar.
Newport, R. I., changes in power for pumping at. By HAROLD WATSON. 410, Dec.
New storage facilities of the Pawtucket Water Works, the. By FREDERICK C. WILLIAMS. 113, June.
Northern New England, average rainfall tables for. By GRAGG RICHARDS. 50, Mar.

Obituary. George Wellington Batchelder. 236, June.
Obituary. Fred B. Forbes. 237, June.
Organization of the Portland Water District, history of the. By DAVID E. MOULTON. 359, Dec.
Oxy-acetylene process in modern industry, with particular reference to the piping field, the. By R. W. BOGGS. 44. Mar.

Pawtucket Water Works, the new storage facilities of the. By FREDERICK C. WILLIAMS. 113, June.
Pipe and special castings, progress report of the committee on specifications for cast iron. 351, Sept.
Pipe and special castings, progress report of the sponsors of the sectional committee on the standardization of cast iron. 349, Sept.
Pipe and wrought steel pipe and tubing, progress report of the committee on wrought iron. 353, Sept.
Pipe flanges and fittings, progress report of the committee on standardization of. 347, Sept.
Pipe for water mains, a new kind of. By R. W. MITCHELL. 18, Mar.
Pipes and standpipes, progress report of the committee on the collection and correlation of information on the corrosion of iron and steel. 358, Sept.
Piping field, oxy-acetylene process in modern industry, with particular reference to the. By R. W. BOGGS. 44, Mar.
Pirnie, Malcolm. Some uses of aëration in water purification. 395, Dec.
Plant for water pumping at Manchester, Mass., the gas-producer. By RAYMOND C. ALLEN. 56, Mar.
Portland Water District, a description of the system of the. By JAMES W. GRAHAM. 364, Dec.
Portland Water District, history of the organization of the. By DAVID E. MOULTON. 359, Dec.
Power for pumping at Newport, R. I., changes in. By HAROLD WATSON. 410, Dec.
Problems, some distribution. By FRED B. NELSON. 133, June.
Progress report of the committee on simplification of manhole frames and covers. 350, Sept.
Progress report of the committee on specifications for cast iron pipe and special castings. 351, Sept.
Progress report of the committee on standardization of pipe flanges and fittings. 347, Sept.
Progress report of the committee on standard specifications. 354, Sept.
Progress report of the committee on the collection and correlation of information concerning the corrosion of iron and steel pipes and standpipes. 358, Sept.
Progress report of the committee on wrought iron pipe and wrought steel pipe and tubing. 353, Sept.
Progress report of the sponsors for the sectional committee on standardization of cast iron pipe and special castings. 349, Sept.
Protection of catchment areas. By JOHN F. SKINNER. 1, Mar.
Public water supplies of Connecticut. By WARREN J. SCOTT and F. O. A. ALMQUIST. 298, Sept.
Public water supplies, watching the weather in safeguarding. By ARTHUR E. GORMAN. 377, Dec.
Pumping at Manchester, Mass., the gas-producer plant for water. By RAYMOND C. ALLEN. 56, Mar.
Pumping at Newport, R. I., changes in power for. By HAROLD WATSON. 410, Dec.
Pumping Station at Montreal, Que., the new McTavish. By CHARLES J. DES BAILLETS. 32, Mar.
Pumping Station of the Western New York Water Company at Buffalo in connection with the construction of a twenty million gallon filter plant, reconstruction of the Woodlawn. By H. F. HUY. 387, Dec.
Purification, some uses of aëration in water. By MALCOLM PIRNIE. 395, Dec.
Purification, unusual methods of water. By MARTIN E. FLENTJE. 38, Mar.

Rainfall tables for northern New England, average. By GRAGG RICHARDS. 50, Mar.
Rate case, the East Providence Water Company. By ALBERT C. DICKERMAN. 246, Sept.
Reconstruction of the Woodlawn Pumping Station of the Western New York Water Company at Buffalo in connection with the construction of a twenty million gallon filter plant. By H. F. HUY. 387, Dec.
Richards, Gragg. Average rainfall tables for northern New England. 50, Mar.
Report of Massachusetts member of the committee on legislation. 356, Sept.
Report of the committee on cross-connections. 79, Mar.
Report of the committee on simplification of manhole frames and covers, progress. 350, Sept.
Report of the committee on specifications for cast iron pipe and special castings, progress. 351, Sept.
Report of the committee on standardization of pipe flanges and fittings, progress. 347, Sept.
Report of the committee on standard specifications, progress. 354, Sept.
Report of the committee on the collection and correlation of information concerning the corrosion of iron and steel pipes and standpipes, progress. 358, Sept.
Report of the committee on wrought iron pipe and wrought steel pipe and tubing. 353, Sept.
Report of the sponsors for the sectional committee on standardization of cast iron pipe and special castings, progress. 349, Sept.
Reservoirs, color reduction in storage. By CALEB MILLS SAVILLE. 416, Dec.
Reservoirs, decolorization by storage in clean-bottomed. By KARL R. KENNISON. 60, Mar.

Safeguarding public water supplies, watching the weather in. By ARTHUR E. GORMAN. 377, Dec.
Sanders, Percy R. Automatic chlorination at Concord, N. H. 399, Dec.
Saville, Caleb Mills. Color reduction in storage reservoirs. 416, Dec.
